

What Golfers Are Saying About SVP

Tripadvisor 4.5 Stars

"Probably one of the nicest courses to play, best bang for your buck. Some of the holes could be framed on a calendar..."

"This is a small piece of heaven great greens ... scenic views ... elevations changes ... very affordable A "9 out 10" golf course !"

Facebook 4.7 Stars

"Love this place - staff are great and the course is gorgeous and exceptionally well maintained"

"This course will test all levels of golfer and has some of the best scenery to enjoy in the area. Very well maintained. A must play."

Google 4.8 Stars

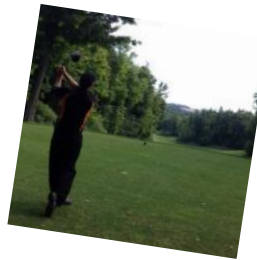

"Every hole is a signature hole!"

"I love this course, the greens and traps and everything in between are always in great shape. Everyone I bring to this course want to come back and comment on how beautiful the scenery and art work is. No matter what my score is I always feel good after a round at Shelter Valley Pines"
